

CONEY ISLAND CREEK

NOTES:

HOMEWORK:

We explored wrecks in the bay today that don't have a known history. Research a wreck (ship, plane, your choice) that's history is known and recorded. Write a 1-2 page paper on it's history.

Questions to consider:

Where did it come from? What was its purpose? How did it sink? Did anyone die? Could it have been avoided? Use at least 2 credible sources in your bibliography.
